ACT THREE

23 EXT. FOUNTAIN -- THE NEXT DAY (DAY 7)

23

The next day. At the Miracle Fountain. A lot of activity. BELIEVERS and WOULD-BE-BELIEVERS are lined up at the fountain, waiting to drink. Some are filling bottles with "holy" water.

Nearby: A SMALL CIRCLE OF BELIEVERS hold hands and pray...

A FRAIL, SICK WOMAN is being pushed in a wheelchair by her GRANDDAUGHTER. She rolls up to the PILE OF DISCARDED PILL BOTTLES, and tosses some pills away.

SICK WOMAN  
I won't need these anymore.

Nearby: Katie Doyle, the original Believer, is watching this. Katie looks concerned.

Nearby: Monk and Natalie arrive. They step up to a MIDDLE-AGED BELIEVER.

MONK  
What's going on?

MIDDLE-AGED BELIEVER  
The fountain is blessed. Exodus 23.  
"So you shall serve the Lord your God, and he will bless your bread and your water. And I will take sickness away from the midst of you

MONK  
(shrugging, uninterested)  
No kidding.  
(then)  
We're looking for a friend of ours.

Monk takes out a PHOTO of Capt. Stottlemeyer.
