MONK  
(to VARIOUS MOVERS)  
Careful with that... use both hands...  
please be careful... watch your  
step... This End Up...

The MOVERS glare at Monk as they walk past.

MONK (CONT'D)  
That one says Fragile.

ANNOYED MOVER  
They all say Fragile.

MONK  
Yeah, but that one is underlined.  
That means Really Fragile. If it's  
underlined twice, that means Very  
Very Extremely Fragile... hello?...

But the MOVER has already walked away.

11 INT. MONK'S NEW HOUSE - ~~LIVING ROOM/HALLWAY~~ NEXT DAY (DAY 4)

Later. Monk is moved in. All of his familiar FURNITURE and PHOTOS and MEMORABILIA are on display. The house is already Monkishly neat and orderly.

Monk loves his new house. He's bursting with pride.

He's giving Natalie a tour. They reach a DOWNSTAIRS BATHROOM, which has a HEAVY CLAW-FOOT BATHTUB.

MONK  
Here's another bathroom. For a total of two bathrooms. That's a claw-foot bathtub, which is something I've always wanted.

NATALIE  
It is?

MONK  
Yes. I just didn't know it.

NATALIE  
I love all the woodwork...

Natalie reaches for a BOOKSHELF or BANISTER.
