Harold hands Monk a BUSINESS CARD.

HAROLD KRENSHAW (CONT'D)  
His name is Climan. Lawrence Climan.  
Give him a call.

MONK  
(reading card)  
"Hypno-therapy?" He's a hypnotist?

HAROLD KRENSHAW  
It worked for me

NATALIE  
(stunned)  
I guess it did.

HAROLD KRENSHAW  
Anyway, good luck. See you around  
campus.

(as he leaves,  
indicates sky)  
I can't get over that rainbow. It  
makes you glad to be alive, doesn't  
it?

Monk doesn't respond. Harold puts on his IPOD HEADPHONES.

HAROLD KRENSHAW (CONT'D)  
Oh! I love this song!

Harold sings and dances away. Monk watches him go... then  
looks, puzzled, at the Hypnotist's card.

10 EXT. LARKIN ESTATE -- LATER THAT DAY

WE ESTABLISH: Aaron and Sarah Larkin's house. A large house  
on a big, sprawling property. The land includes at least  
one OPEN FIELD and a SMALL POND or LAKE (or, in a pinch, a  
stream).

11 INT. LARKIN HOUSE - FRONT HALL -- SAME TIME

11

Inside. In the large, plush FRONT HALL. Monk, Natalie,  
Stottlemeyer and Disher are waiting to question Aaron Larkin.

Monk is distracted. He's still thinking about Harold's  
transformation. He's still clutching the hypnotist's business  
card.
