Moments later. Behind the studio. A PARKING LOT, enclosed by a CHAIN-LINK FENCE. It's late. The parking lot is quiet, nearly empty. A few PARKED CARS.

Suddenly, the STUDIO'S REAR DOOR BURSTS OPEN! Marissa Kessler- still wearing her dress and heels- comes running, stumbling out! She's running for her life!

MARISSA

HELP ME! SOMEBODY!

Marissa is terrified! She runs through a puddle and across the parking lot.

A mysterious SHADOWY ATTACKER is chasing her! We never see his face. They weave past GARBAGE CANS and PARKED CARS.

Marissa reaches the GATE. It's locked! She's trapped!

She desperately starts climbing the fence. Her dress rips. Her heels get stuck in the chains. She slips! She falls!

The SHADOWY ATTACKER catches up with her. He stabs her!
