

1 INT. POLICE HEADQUARTERS -- DAY

1

Later that day. Back in POLICE HQ. Capt. Stottlemeyer is talking to WINONA, a pretty, but hard-looking young woman. Tattoos.

Beside Stottlemeyer is another detective: LT. OWEN, who looks a little like Lt. Disher.

CAPT. STOTTLEMEYER

I just had two cups of coffee. I can do this all day. So, let's try again. Where's your boyfriend?

WINONA

Which one?

CAPT. STOTTLEMEYER

The one you've been living with for three years. Luke Migas. The one who robbed that armored truck with his brother.

WINONA

Luke didn't rob anybody.

CAPT. STOTTLEMEYER

Winona, listen to me. This wasn't just another smash and grab. A guard was killed. We found Luke's fingerprints near the scene.

WINONA

"Near" the scene? What does that mean?

CAPT. STOTTLEMEYER

It means I want to talk to them- that's what it means. Where are they?

WINONA

No idea.

CAPT. STOTTLEMEYER

Sure you do.

WINONA

I'm not saying another word. Luke and Del are like family.

LT. OWEN

The guard had a family, too.

CAPT. STOTTLEMEYER

Good point, Randy.  
 (catching himself)  
 Oh. No wonder. You're not Randy.  
 (resuming, to Winona)  
 Winona. I want you to give Luke and  
 Dell a message from me. And don't  
 tell me you can't, because I know  
 you can. Tell them I said  
 Stottlemeyer says hi. Tell them  
 I'll see them soon.

2 EXT. STREET - DOWNTOWN - PAY PHONE -- DAY 2

That's what he said. They found  
 your fingerprints.

3 EXT./INT. PARKED CAR- ACROSS TOWN- INTERCUT 3

Across town. LUKE MIGAS and his brother DEL are in a parked car. They're ex-cons. Tough and mean and dangerous.

Luke is talking to Winona on a cell phone. We INTERCUT BETWEEN THEM AS NECESSARY-

LUKE

That's impossible. We both had  
 gloves.

WINONA

Yeah? Then why were they talking to  
me?

LUKE

I don't know.

WINONA

What else did you forget? Did you  
 get rid of the guns?

LUKE

The guns are gone.

WINONA

Did you dump everything?

LUKE

Don't worry about it.

3 CONTINUED:

WINONA

You better be sure, that's all I'm saying. Because they're gonna be looking everywhere- everywhere you've stayed, everywhere you've been.

LUKE

You're talking about the cabin?

WINONA

You better get back there. Make sure it's clean.

(then, pleading)

Baby, if you get sent up again, I don't think I could stand it.

LUKE

It's gonna be okay. Do you understand? We'll take care of it.

(beat)

When I get back, you and I have to talk.

WINONA

What about?

LUKE

About how to spend all this money. I'll see you soon.

Luke hangs up.

DEL

They picked her up?

LUKE

It's okay. They don't know anything. And what they know, they can't prove.

Luke starts the car.

DEL

Where are we going?

LUKE

(grimly)

Back to Spider Lake. We have some cleaning up to do.
