JOHN HANNIGAN
I have no idea! This can't be happening.
(then)
Captain. I swear to you. I was home all night. I don't know this girl!

CAPT. STOTTLEMEYER
Mr. Hannigan. This is very important. I want you to take a good look at this woman. Take your time. Be very careful.

Hannigan takes a long, hard, focused look at Julie.

CAPT. STOTTLEMEYER (CONT'D)
Are you telling me you've never seen her before she walked in here today?

JOHN HANNIGAN
Yes sir. I'm sure. I'd swear on a hundred Bibles. I've never see this woman before in my life.

CAPT. STOTTLEMEYER
(grimly)
I believe you.

Monk turns to a UNIFORM COP.

MONK
Did you hear what he just said?

UNIFORM OFFICER
Yes sir.

MONK
Did everyone in this room hear what he just said?

The NEWSPAPER STAFFERS nod, confused.

MONK (CONT'D)
You're all witnesses.

Julie turns to Natalie.

JULIE
Mom, can we go home now?
