JULIE (CONT'D)

We thought it would be fun to go to the cast party this way.

Nearby: a GROUP OF ACTORS- all still in costume- are waiting.

YOUNG CUTE ACTOR

Julie!

JULIE

I gotta go. Is it okay if I stay until the reviews come out? Everyone's staying. Say yes!

**END**

NATALIE

I don't know...

JULIE

That's a yes! I love you! Bye Mom! Bye, Mr. Monk.

Julie happily runs off with her friends.

11 EXT. DOWNTOWN ANOTHER STREET -- MOMENTS LATER

11

Later. A block away. Monk and Natalie are walking home. They approach a crime scene. SQUAD CARS. POLICE BARRICADES. On the street: CALLIE ESTERHAUS'S BODY is covered with a sheet.

Capt. Stottlemeyer and Lt. Disher are in charge.

CAPT. STOTTLEMEYER

Monk? What are you doing here?

NATALIE

Julie's musical. The theater's right down the street.

LT. DISHER

Oh yeah. Was that tonight? How did it go?

NATALIE

Julie was great. Not just me. Everybody thought so.

CAPT. STOTTLEMEYER

I'm sure she was. Congratulations

MONK

What's going on?
