SALLY (CONT'D)

Pearl? Jesus. You scared me to death.
 (then, puzzled)
 How did you get in?

Then: more FOOTSTEPS! Sally is scared shitless! She scrambles from the tub (as she discreetly covers herself with a robe). She tries to shut the BATHROOM DOOR!

But a MAN- a MYSTERIOUS INTRUDER- sticks his foot in the door!

SALLY (CONT'D)

OH MY GOD NO! SOMEBODY HELP!!!

Sally pushes against the door. But the Man is too strong. He forces the door open! Sally- still screaming!- is thrown backwards!

3 EXT. CONDO - POOL -- MORNING (DAY 2)

The next morning. Outside. In the pool area. The POOL CLEANER, a weary, middle-aged Hispanic Man, arrives.

START

Sally's CAT greets him.

POOL CLEANER

Hola, gato. Que pasa?

He stops. He notices: something floating in the pool. It's SALLY'S BODY!

POOL CLEANER (CONT'D)
