HAROLD KRENSHAW

Ready?

Monk nods.

HAROLD KRENSHAW (CONT'D)

Now let's both go to hell!

Harold KICKS in the front door!

MONK & HAROLD

AAAAAAAAAAAAAAGH!!!

30 INT. DR. BELL'S HOUSE - LIBRARY -- SECONDS LATER

30

Inside. In a large, plush LIBRARY. Four chairs.

Dr. Bell and Xavier are talking, calmly, quietly. Xavier's GUN is on a table. He came there to kill Dr. Bell, but Bell has already talked him out of it. Xavier is crying, softly.

The door BURSTS OPEN! Monk and Harold rush into the room. Harold does something like a James Bond aikido roll.

MONK & HAROLD

AAAAAAAAAGH!!!

Monk and Harold stop. They realize Dr. Bell isn't in danger. Their SCREAM slowly peters out...

MONK & HAROLD (CONT'D)

aaaaaa...

DR. BELL

(calmly)

There you are. I was just about to come and get you. The police will be here soon. Why don't you sit down?

 The water shortage.

DR. BELL  
 That's right. It hasn't rained. The reservoir levels were dropping. He was afraid the car and the body would be discovered.

XAVIER DANKO  
 (sobbing)  
 What did I do...?

MONK  
 He had told everyone in the group about his obsession. You were the only people on earth who could connect him with the girl.

DR. BELL  
 He was trying to kill us before the body was found.

HAROLD KRENSHAW  
 Huh. Actually, we have some news, too.

DR. BELL  
 Really?

MONK  
 (excitedly)  
 Harold and I were locked in the trunk. But we dealt with it. We had a real breakthrough! I think we can cross claustrophobia off my list.

XAVIER DANKO  
 (interrupting, sobbing)  
 Dr. Bell. Do you believe in God?

HAROLD KRENSHAW  
 (sharply, to Xavier)  
 HEY! Excuse me. My friend Adrian was talking. We didn't interrupt you.
