MONK
 (again, interrupting)
 Sorry to bother you. I'm Adrian Monk.

Walsh sighs. He steps from the tee.

WALSH
 Monk? I know that name. You're in the news. The detective...?

MONK
 Yes sir. This is my assistant, Natalie Teeger. And Sharona Fleming, my other assistant.
 (nervously, correcting)
 My ex assistant. My other... former... ex assistant.

SHARONA
 Hi. I'm a big fan. I saw you at Brookhaven five years ago. That was heartbreaking.

WALSH
 That was a tough beat. When Tiger heats up, it's all over.
 (introducing)
 My wife, Carolyn. And this is Barry Hanks, my long-suffering caddy.

Everyone exchanges quick nods and handshakes.

WALSH (CONT'D)
 (realizing)
 Did you say "Fleming"? Is this about Henry Fleming?

SHARONA
 He was my uncle.

CAROLYN
 Oh. I'm sorry. How are you doing?

MONK
 She's fine.
 (resuming)
 I read the police report. I understand you actually saw the accident...?

WALSH
 Yes sir.

WALSH (CONT'D)
(indicating Barry)
We both did.

BARRY THE CADDY
I'll never forget it. On the 12th
fairway.
(pointing)
Right over there.

WALSH
It's all in the report. It was early.
About- what?- 7:30? I had a chip
shot, which I completely miffed.

BARRY THE CADDY
(chuckling)
It was the worst shot I ever saw him
make.

WALSH
We call it a Banana Ball. It curved
all the way, into the trees...

8 EXT. GOLF COURSE - WEEKS EARLIER - FLASHBACK (B&W)(FB-1)

8

Walsh and Barry The Caddy continue their story, which we SEE
in a SERIES OF BLACK AND WHITE FLASHBACKS...

We're on the SAME GOLF COURSE. It's a month earlier. Walsh
and Barry are in the trees, looking for Walsh's errant ball.

They turn. In the distance, 100 feet away: a STONE STAIRCASE,
built into a steep hill. Another golfer- UNCLE HENRY- has
just slipped. He's tumbling down the stairs!

UNCLE HENRY
MRRRRRRR!

WALSH (V.O.)
We heard someone yelling. It was
Henry. I knew him slightly- I'd
seen him around the club.

BARRY THE CADDY (V.O.)
He was hurt bad. We could tell.
Even from across the fairway.

9 EXT. GOLF COURSE - STONE STEPS - SECONDS LATER - FLASHBACK 9
(B&W) (FB-2)

The FLASHBACKS CONTINUE. Walsh and Barry are running across the grass... toward the STONE STAIRCASE.

Uncle Henry is sprawled out, at the bottom of the stairs. He's bleeding. He's not moving.

WALSH

Barry had the phone. I told him to call 911.

Barry frantically tries calling for help. But his cellphone is dead.

10 EXT. GOLF COURSE - RESUME -- PRESENT DAY 10

The FLASHBACKS PAUSE. We're back in the PRESENT. The Caddy is explaining...

BARRY THE CADDY

My battery was dead. Piece of crap phone. Thanks for nothing, Fujiyama Cellular.

11 EXT. GOLF COURSE - STONE STEPS - SECONDS LATER - FLASHBACK 11
(B&W),(FB-3)

The FLASHBACKS RESUME. Walsh and Barry are running toward the stairs.

Walsh takes charge. He tells Barry to get help. Barry runs off. Walsh kneels beside Uncle Henry, and desperately- valiantly- tries to revive him. But Uncle Henry is dead.

WALSH

So he ran for help. I stayed with Henry. I tried CPR. I tried everything.

12 EXT. GOLF COURSE - RESUME -- PRESENT DAY 12

The FLASHBACKS END. It's PRESENT DAY.

WALSH

It took the paramedics about ten minutes. He was already gone. I'm sorry.

(then)

Is there anything else, Mr. Monk?
