There are TWO OTHER PEOPLE in the store: MRS. PADDOCK, the owner... and young Trevor Smith. Trevor is in line, at the counter, in front of Gilday. Trevor looks drunk, anxious.

CAPT. STOTTLEMEYER (V.O.)

~~But your timing was terrible.~~

Suddenly, Trevor grabs some cash from the register- then grabs Mrs. Paddock's necklace- and rushes from the store!

Mrs. Paddock recovers. She indicates the SECURITY CAMERAS.

MRS. PADDOCK

Don't worry. We got the whole thing on video.

//END

Gilday looks up at the SECURITY CAMERAS, concerned.

MONK (V.O.)

Now you had a bigger problem. As soon as she reported it, the cops would take a look at that security tape.

CAPT. STOTTLEMEYER (V.O.)

We'd see you, in the store, three blocks from where your wife was killed. You couldn't afford that.

Mrs. Paddock turns and reaches for the phone. As she does, Gilday grabs a TIRE IRON from a shelf and swings it- THUNK! He hits her, once, on the skull! She collapses, dead.

Our FLASHBACKS END. We're back in the Interrogation Room.

MR. GILDAY

If it's okay with you, I'm going to wait for my attorney.
(smugly)

His name is Jackson Powell. I think you might remember him.

Monk turns. He sees: Jackson Powell, standing by the door!

MONK

(low, frightened)
Leland. He's in my head again.

CAPT. STOTTLEMEYER

No. It's really him.
